Re: Federal Gilsonite Lease
U-073071

Dear Mr. Moseley:

You will notice in the enclosed letter to Mr. Vance of the U.S.G.S. that we have stated our concurrence with the reclamation plans on this lease.

The next step in our approval process is to publish, one time only, notice of the Division's tentative approval in a newspaper of statewide circulation, and in the county where the project is located. A thirty (30) day waiting period is allowed subsequent to publishing for public comment, after which final approval is given based on there being no objections of substance filed with the Division.

To publish notice of the Division's approval, we need the enclosed MR Form 1 completed by you and then returned. Please contact us if you have any questions on this procedure.

Sincerely,

DIVISION OF OIL, GAS, AND MINING

RONALD W. DANIELS, COORDINATOR
OF MINED LAND DEVELOPMENT
